be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MOR.

This MOR has not been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and does not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance that the consolidated financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

The information furnished in this report includes primarily normal recurring adjustments but does not include all the adjustments that would typically be made for the quarterly and annual consolidated financial statements to be in accordance with U.S. GAAP. Certain adjusting entries (including, but not limited to, income tax expense and intercompany profit eliminations) are only prepared on a quarterly basis, and therefore any such adjustments included herein are based on information as of November 3, 2018. Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their quarterly and annual consolidated financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material. Finally, the Debtors' fiscal year end is on February 2, 2019, and their audited consolidated financial statements will be prepared following that date.

This is the first filing of the MOR since the Petition Date. In future periods, any changes to prior period balances will be reflected in the current month's MOR.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

2. **Reporting Period.** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.
3. **Consolidated Entity Accounts Payable and Disbursements Systems.** Cash is received and disbursed by the Debtors as described in the *Motion of Debtors for Authority to (I) Continue Using Existing Cash Management System, Bank Accounts, and Business Forms, (II) Implement Ordinary Course Changes to Cash Management System, (III) Continue Intercompany Transactions, and (IV) Provide Administrative Expense Priority for Post-*

4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Please see the DIP Orders for additional detail.
6. **Payment of Pre-Petition Claims Pursuant to First Day Orders.** Within the first two days of the Debtors’ chapter 11 cases, the Bankruptcy Court entered orders (the “**First Day Orders**”) authorizing, but not directing, the Debtors to pay, on an interim basis, certain pre-petition (a) claims of critical vendors, shippers, warehousemen, other lien claimants, and foreign creditors; (b) taxes; (c) employee wages, salaries and other compensation and benefits; and (d) obligations related to the use of the Debtors’ cash management system, among other things. On November 16, 2018, the Bankruptcy Court approved the relief requested in connection with the First Day Orders on a final basis, except for the Final Cash Management Order, which was entered on December 21, 2018. To the extent any payments were made on account of such claims or obligations following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR unless otherwise noted.
7. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall
